Let's Make Blueberry Muffins!

Muffins are pastries¹ that were first popular in England, Germany, and America in the 1800s. Today, muffins can be both sweet and savory.² Most people add fruit and vegetables to add flavor. These muffins are full of juicy blueberries and make a delicious breakfast meal.

Here's what you need:

- 1½ cups all-purpose flour
- 2 teaspoons baking powder
- ½ teaspoon salt
- ¾ cup white sugar
- ½ cup butter
- ½ cup milk
- 1 large egg
- 2 teaspoons vanilla extract
- 1 cup fresh blueberries

Makes 8 muffins
a muffin tin
an electric mixer
cooking spray

Step 1: Get the oven ready.
Heat the oven to 400°F (200°C) and **spray** the muffin tin with cooking spray.

Step 2: Mix the dry ingredients.
In a large bowl, **mix** the flour, baking powder, salt, and ½ cup sugar together with a fork. When the ingredients are mixed well, make a hole in the center.

Step 3: Brown the butter.
Melt the butter in a pan over medium heat. When the butter melts, use a spoon to stir it. The butter will start to brown and smell nutty. When this happens, take the butter away from the stove.

Step 4: Make the batter.
Pour the butter and the milk into the hole you made in the flour. Mix everything together with the electric mixer. **Add** the egg and keep mixing. Then, add the vanilla. Don't mix the batter too much. A few lumps are OK. Add the blueberries and use a spoon to stir. Be careful not to **squish**³ the blueberries.

Step 5: Get ready to bake!
Pour the batter into each section of the muffin tin. Sprinkle⁴ the remaining sugar over each muffin.

Step 6: Bake it!
Bake for about 16 to 20 minutes. The tops of the muffins will be golden brown. **Check** that they're done by inserting a toothpick into the middle of the muffin. If it comes out with a few light, dry crumbs, they're ready. Let the muffins **cool** in the tin for a few minutes before serving.

¹ A **pastry** is a kind of sweet food made of flour, butter, and water, and baked in the oven.
² **Savory** food tastes salty or spicy, not sweet.
³ If you **squish** something, you press down on it, breaking it.
⁴ If you **sprinkle** something on something else, you put small pieces of it on the other thing.
